

Software

Como instalar a versão mais recente do Solidworks em uso no ISEP?

SolidWorks: Processo de Instalação

Para fazer a instalação do SolidWorks o estudante/docente/colaborador deverá primeiro efetuar a requisição do software via email ao [helpdesk](#) para obter o numero de serie conforme indicado [aqui](#).

Para fazer a instalação do SolidWorks deverá descarregar o instalador. Para isso aceda a: [SOLIDWORKS Community Download](#):

Product Information

I already have a Serial Number that starts with 9020

Yes
 No

SOLIDWORKS Version

2025 (SP3.0) 2024 (SP5.0) 2023 (SP2.1)

Request Download

Em **“Contact Information”**: Indicar nome (*Primeiro Nome e *Sobrenome). Em **“Email”** use o email institucional (nº de estudante@isep.ipp.pt), no campo seguinte escolha **“Student”**.

Em **“Product Information”** Indicar em **“I already have a Serial Number that starts with 9020”**: **YES** e em **“Solidworks Version”** escolha a versão **“2025 (SP3.0)”** (ou SP superior, caso a Solidworks atualize a versão), para continuar o processo carregue em **“Request Download”**.

NOTA: A versão do SolidWorks em vigor no ISEP para o ano letivo 2025/2026 é a 2025 não obtenha versões superiores caso apareçam disponiveis pois estas não funcionarão.

Software

Aceite os termos e continue, carregando onde indica **“Accept and Continue”**:

SOLIDWORKS Community Access Initiative

Dassault Systemes SolidWorks Community Access Eligibility and Terms of Use Agreement.

(Please read this agreement and ACCEPT or DECLINE its terms and conditions at the bottom of the page.)

"Community Access", "Student Access" or "Student Access product" refers to Student Standard (formerly known as the Student Design Kit/SDK), Student Premium (formerly known as the Student Engineering Kit/SEK), or 60-Day Trial version of SOLIDWORKS software.

Eligibility for SOLIDWORKS Community Access Licenses:

SOLIDWORKS Community Access licenses available at this website are provided only to:

Students and Educators at academic institutions that have been authorized by Dassault Systemes SolidWorks Corporation ("DS SolidWorks") to offer SOLIDWORKS Community Access; and Students and Educators who have received Student Access for trial purposes. SOLIDWORKS Community Access also includes military and sponsored organizations.

Descarregue o instalador, carregando em **“Download”**

SOLIDWORKS Community Access

For qualified educators, students, military, sponsored organizations. For eligible makers and hobbyists, please explore our new [Maker portfolio](#).

You may, depending on the type of license you've selected, receive a confirmation email with this information. However, we recommend that you write it down, print it, or take a screen capture anyway and keep it in a safe place. Emails occasionally get clobbered by spam filters, accidentally deleted, or simply misplaced.

Descarregue o instalador para uma área do disco duro que lhe seja mais conveniente:

Software

Depois de descarregar corra o executável, este irá começar a extrair o programa para iniciar a instalação do SolidWorks, deixe as opções já definidas e carregue em “**Unzip**”:

Software

No primeiro menu escolha a primeira opção, isto é, a opção **'Install on this computer'** e clique em **"Next"**:

Na janela seguinte terá que colocar o Número de Serie que lhe foi previamente enviado, apenas onde está marcado na imagem e clique em **"Next"**:

Installation Location [Change](#) 

Toolbox/Hole Wizard Options [Change](#) 

Toolbox installation location: C:\SOLIDWORKS Data

Toolbox installation method: New Toolbox

I accept the terms of the SOLIDWORKS [License Agreement](#) Estimated installation size: 20 GB

Para estudantes de Departamento de Engenharia Mecânica (DEM), um dos componentes existentes na instalação inicial é o **SOLIDWORKS Electrical** que pode ser retirado, visto não ser utilizado nas UCs do DEM e poderá o utilizador poupar espaço em disco. Para isso na janela anterior na opção “**Products**” carregue em “**Change**” na lista de componentes do Solidworks que aparece remova o **SOLIDWORKS Electrical**.

This is a new installation of 2025 SP3.0.

Products [Change](#) 

SOLIDWORKS: SOLIDWORKS Toolbox, SOLIDWORKS Routing, ScanTo3D, TolAnalyst, SOLIDWORKS Costing, Design Checker, Example Files, Manuals, Help Files

Software

Depois do passo anterior, carregue em "**Back to Summary**" e volte à janela principal e aceite os termos de uso do Solidworks e clicar em "**Download and Install**".

De seguida o instalador irá descarregar o programa conforme indica na imagem seguinte:

Software

SOLIDWORKS 2024 SP3.1 Installation Manager

2024

Integrate electrical designs into 3D CAD with SOLIDWORKS Electrical:

- Simplify your electrical design
- Streamline your design process
- Create 3D harness & cabinet designs
- Real time collaboration and synchronization

Downloading Installation Files

Downloading and extracting - 41%

Estimated time left: 30 min (3070 of 7444 MB)

You can choose to join later from the Systems Options dialog box.

Dassault Systemes SolidWorks Corporation does not access or collect model data or information about any of your other software applications.

Help

Finish

Opcionalmente pode retirar a opção "**Show me What's New in SOLIDWORKS 2025**" e escolher "**No, thank you**". Ao clicar em "**Finish**". Poderá aparecer uma janela para efetuar o reinício do computador, o que é recomendado que seja efetuado.

Software

Depois de reiniciar o computador deverá correr o Solidworks pela primeira vez, e assim, ativa-lo. Irá, então aparece a seguinte janela onde deve escolher "***I want to activate my SOLIDWORKS product now***" clicar em "**seguinte**":

Software

Na janela seguinte deverá selecionar o **SOLIDWORKS**, clicar em “**Select All**”, escolher “**Automatically over the Internet**” e coloque o email institucional em “**Contact information**”. De seguida clicar em “**Seguinte**”:

Software

SOLIDWORKS Product Activation X

Activate/Deactivate Your SOLIDWORKS Product

To activate your SOLIDWORKS product you must request a license key from SOLIDWORKS. The Activation Wizard will help you collect the information necessary to activate your product.

Product: **SOLIDWORKS**

How would you like to activate?

Automatically over the Internet (recommended) Manually via e-mail

Contact Information (Required):
E-mail: **xxxxxxxx@isep.ipp.pt** **Colocar o e-mail institucional**

We respect your privacy. To learn about how DS SolidWorks Corporation protects your privacy, please review our [Privacy Policy](#).
